Highlights:

- Affordable to own and operate
- Great trainer or personal aircraft
- Low Airframe Total Time

Description:

This 1964 Piper Cherokee 140 is a great little airplane for training or personal flying. This aircraft has low total time on the airframe and is easy to fly, simple to maintain, and one of the most affordable airplanes to own and operate. With its strong, all-metal design, low-wing construction, and smooth flying, this aircraft is perfect for new pilots or anyone looking for a fun, dependable way to fly.
