Highlights:

- Fuel efficient with extended range tanks
- Ballistic Recovery System
- Custom Paint Job

Description:

This 2023 JMB VL3 is fast, smooth, and very fuel efficient. Extended range fuel tanks let it fly farther with fewer stops. A ballistic recovery system adds extra safety, and the custom paint makes it stand out on the ramp. The VL3 is known for quick cruise speeds, a quiet and comfortable cabin, great handling, and modern avionics - making it a smart, fun airplane to own and fly.
